

PAWLOUR PACKAGES

Each package is priced after consultation and customized to your pet's specific needs

LUXURY BATH & BRUSH PACKAGE Begins with a hydro-massage bath with one of our luxury shampoos and conditioners customized for your pet's skin and coat. After the shampoo and conditioner application, the coat is blown dry, brushed and styled. Nails are trimmed and ears cleaned to remove excess wax and build-up. Ear-hair is extracted, if necessary. Depending on need, the service can also include a light trim of face, feet, and tail.

LUXURY BATH, BRUSH & STYLE PACKAGE Includes Luxury Bath & Brush Package (see above). In addition the hair is styled and scissored according to your specifications.

LUXURY BATH, BRUSH & BREED SPECIFIC STYLE PACKAGE Includes Luxury Bath & Brush Package (see above). In addition, our certified Stylists perform a Breed-Specific Trim for your pet according to the AKC standard.

PUPPY'S FIRST SALON VISIT Grooming can and should be an enjoyable part of every dog's life. We recommend that you start grooming as early as possible so that your puppy will feel comfortable with the process. Our Stylists make your puppy's first visit to the Pawlour a special event. Your puppy will have a hydro-massage bath, brush, ear cleaning, and nail clipping. (The hair is not cut at this visit; it is only a starter visit to get your puppy acclimated to the grooming experience.)

PROFESSIONAL HAND STRIPPING Hand-Stripping is done to maintain coarse coats on terriers and natural coats on some sporting breeds. Consultation required for pricing.

NOTE: *Pawlour Packages are priced after consultation. The price range can vary depending on the breed, size, coat condition, temperament, and special needs of your dog or cat.*

CUSTOMIZED SHAMPOO AROMATHERAPY TREATMENTS

At LuLu & Luigi Grooming Pawlour, we use organic, all-natural products whenever possible to provide the very best treatment for your pet's skin, coat and overall health. You may enhance your pet's luxury shampoo by choosing natural extracts from our wide selection of ingredients to create a customized shampoo that meets your pet's specific needs and desires.

Select up to three ingredients from the following list and customize your treatment.

BAY LAUREL Anti-bacterial and anti-fungal, Bay Laurel's astringent qualities help relieve dandruff while soothing the skin. It also helps repel fleas and insects.

OATMEAL EXTRACT Soothes skin ailments, including dry and sensitive conditions.

ROSEMARY EXTRACT Helps stimulate hair growth and enhance shine and luster. It is an effective anti-oxidant, antiseptic, astringent, and blood circulatory stimulant.

CHAMOMILE EXTRACT The anti-inflammatory, soothing antiseptic properties heal open wounds, relieve inflammation and can be used to relieve insect bites.

LAVENDER Relaxing, calming, refreshing, balancing, cooling, and anxiety-soothing. Lavender's properties can help normalize blood pressure and promote tranquility.

EXTRA SPECIAL SERVICES

Each service listed below is available and priced in addition to your pet's Pawlour Package

DEMATTING After a consultation with one of our Stylists, we will determine if your pet can be safely dematted or should be seen by a Veterinarian.

EXPRESS GROOM Available for pets that have special needs (elderly pets, pets with health conditions, and/or anxious pets.) Needs to be the first appointment of the day.

HAIR COLORING TREATMENT Add a little color to your light-coated pet. We have a variety of shades. Ears and/or tails may be colored.

SORE JOINT TREATMENT Starts with a soothing massage to increase circulation and aid in pain relief. Followed by a therapeutic bath using our herbal peppermint and menthol shampoo to help soothe muscles and sore joints. Relaxing massages are also available to pamper pets of all ages.

SHED LESS TREATMENT For both long and short-haired pets that tend to shed, this specially patented treatment removes undercoat hair quickly, comfortably, and easily. Your pet will look and feel better and within two treatments, you'll find shedding is reduced from 60—80%.

ALA CARTE SERVICES

Each service listed below may be purchased as an add-on to a Pawlour Package or as an individual service

PET-A-CURE (NAIL TRIM AND FILING) Overgrown nails and dry paws can cause your pet discomfort. Sometimes a nail trim and file is all your pet needs to add the spring back into their step! If needed, soothing Paw Balm will be applied to help heal cracked and dry paws. (Included in Pawlour Package)

PET-A-CURE POLISH Choose from a select collection of gorgeous nail finishes, to add a signature color and look to your pet's paws. (Short-haired breeds only.)

EAR CLEANING Keeping your pet's ears clean promotes good hygiene and feels so much better. We gently clean each ear to soothe irritated tissue and remove excess wax and dirt build-up. If needed, excess hair from inside the ear is removed. (Included in Pawlour Package)

TEETH BRUSHING Keep those pearly whites sparkling and fresh with regular teeth brushing. Clean teeth reduce the risk of gum disease, ultimately adding years to your pet's life.

PLAQUE REDUCING TREATMENT This treatment uses the latest technology along with natural ingredients for long term preventative maintenance of healthy teeth and gums. This scientifically proven zinc complex, stops odor formation, helps eliminate tartar growth and may aid in healing soft tissue to improve your dog's oral health.

SCENT GLAND EXPRESSION Your pet's scent gland ducts may become clogged and uncomfortable. An expression by one of our Stylists may be all your pet needs. If the procedure cannot be done externally, we will recommend that you take your pet to your Veterinarian for an internal expression.

TEAR STAIN REMOVAL – We'll help remove the discoloration around your fair-colored pet's eyes and send you home with our Eye-Envy starter kit and personal instruction for keeping tear staining under control. (Tear-stains can not be removed in one treatment.)
